TAPLIN-GROOM

St. Albans Young Woman Bride of Orleans Man.

The following is from the St. Albans Daily Messenger:

"A very attractive wedding took place at the Methodist Episcopal church last evening at which time Florence Marion, daughter of Mr. and Mrs. Gilbert W. Groom, of Brainerd street, was united in marriage with Charles Rogers Taplin, son of Mr. and Mrs. M. M. Taplin of Orleans by Rev. Ralph Stoddy.

"Promptly at 8 o'clock the bridal party entered the church to the strains of Lohengrin's wedding march played on the violin by Charles Griffith of Boston, a classmate of the groom, assisted by Mrs. Margaret Buckley Armstrong at the organ.

"The bride entered the church on the arm of her father who gave her in marriage. She wore white point lace over satin and a veil of tulle with a coronet of pearls and lilies of the valley and carried a shower bouquet of white roses and lilies of the valley. The bride's mother wore black lace with a corsage of roses.

"The groom's mother wore grey canton crepe, beaded in bronze, with corsage bouquet of roses.

"The maid of honor, Miss Amy Perkins of Brattleboro, wore pink taffeta and carried a bouquet of light pink roses.

The bridesmaids, the Misses Mildred R. Brewer, Gertrude E. Norton, Beatrice K. Derrick, and Irene A. Marvin, wore white net trimmed with pink taffeta and carried bouquets of pink roses.

"The best man was Dr. Karl S. Webster of Orleans. The ushers were the Messrs. Herbert Potter and George Rowell of Boston, Clifford Webster of Auburn, Me., and K. J. Ekland of this city.

"The church was prettily decorated with golden rod and ferns.

"The bride is a graduate of St. Albans high school, class of 1919, and has attended Tilton seminary and Burlington business college and is one of St. Albans' most popular young women.

"The groom is a graduate of Phillips-Exeter academy and Dartmouth college, in the class of 1915 and is now in the lumber business with his father in Orleans.

"Among those present from out of town were: Mr. and Mrs. M. M. Taplin of Orleans, Miss Virginia Hanson of New York City, Mr. and Mrs. G. Kenneth Groom, of Danville, Ill., Mr. and Mrs. J. A. Conant, of Hoopston, Ill., Mr. and Mrs. H. E. Folsom and Miss Flavia Folsom, Mr. and Mrs. C. M. Darling and family of Lyndonville, Mr. and Mrs. A. H. Sweet, Mr. and Mrs. Charles Harris of Orleans, Mrs. Etta Grant Rowell and Mrs. Hugh Rowell of Boston, Mr. and Mrs. J. J. Connelly of Montreal, Rev. and Mrs. G. D. Gould of Farmington, N. H., Mr. and Mrs. H. D. McGrillis of Marshfield.

"Immediately following the ceremony, a reception was held at the home of the bride for the bridal party and out-of-town guests. Miss Katherine E. Bryant presided at the punch bowl, and the Misses Meryle L. Bor-

do and Mary N. Regan served. During the reception the bride and groom were showered with confetti, after which they left for parts unknown. They will be at home after October 1 at Orleans.

The bride and groom were the recipients of many beautiful gifts. Mr. and Mrs. Taplin have a host of warm friends in Orleans who will be pleased to welcome them to a place in the community and its varied interests.

The New Caps!

Well, you'll be surprised, but it's a fact, they are lighter in color, warm and wooly looking and the fellow who doesn't wear a light cap and overcoat this fall doesn't fit.

Look 'em over, try 'em on, dark, light, heavy or no and if you don't buy we won't feel it, because we want you to get acquainted with our new methods and the chances we offer of QUALITY, regardless of everything else.

The Acid Test of any Suit is the Amount of WEAR It Will Give You

A Suit may be the last word in style—it may fit perfectly—it may have any number of novelties in design—but, unless you are sure it will give you maximum wear, it is a poor investment.

If you were buying an automobile, you wouldn't want one that would go to pieces in six months.

If you were buying shoes, you'd get the kind that has been known to give the greatest wear.

Then, why buy a suit that, for all you know, might wear out long before you could afford to get another one?

If you are buying a suit of Clothcraft Serge in our store, you need not worry about the actual test of wear—Clothcraft Serge Specials wear—and there's a real guarantee to back this statement. Buy guaranteed clothes.

And best of all—you can get maximum wear at a moderate price. Come in today—see this remarkable display of values and don't forget that the acid test of any suit is the amount of actual wear it will give you.
